Winner Best Community Arts Initiative – Carlisle Living Awards 2018

Join us in our 10th anniversary year to celebrate great music, art and excellent entertainment for all ages. Real music by real musicians. Real ale by local brewers. Good food, great hospitality and lots and lots of smiling.

Music on the Marr's motto is #PleaseDance - and our visitors often live by that motto.

The festival centres on the Marr (the village green) in Castle Carrock, four miles south of Brampton in Cumbria.

The music takes over several venues, including the village's award-winning public house 'The Duke of Cumberland'. There will be also be music workshops, our Magnificent Tea Emporium, wandering magicians, circus acts, poetry, traditional dancing and a high-quality arts market.

There's also guided nature trails over the weekend into the beautiful Geltsdale countryside.

The festival is not-for-profit, meaning every pound goes back into making our four days the very best they can be.

We are an inclusive festival and like to encourage young people to enjoy live entertainment.

Therefore all accompanied children 16 years and under have FREE access to the entire festival
